RE: Hazardous Waste Management Facility Permit #MOD050226075  
Class 1 Permit Modification Without Prior Director's  
Approval

Dear Mr. Willett:

The Missouri Department of Natural Resources' (MDNR) Hazardous Waste Program has received the notification dated September 3, 1997, regarding the replacement and upgrading of the aqueous waste spray nozzles and the Calvert gas scrubbers for the "A" and "B" incinerators. The Hazardous Waste Program acknowledges American Cyanamid's classification as a Class 1 permit modification not requiring prior director's approval. In accordance with 40 CFR 270.42(a)(1)(ii), American Cyanamid shall notify everyone on their mailing list within 90 days after the modification was put into effect.

If you have any questions regarding this letter, please contact Mr. Kyle Russell, Environmental Engineer, at (573) 751-3553.

Sincerely,

HAZARDOUS WASTE PROGRAM
